

Special High School Teacher & Student Event

Chemistry in Action!

Louisiana Arts & Science Museum

Sunday, November 4

4:30 to 6 PM

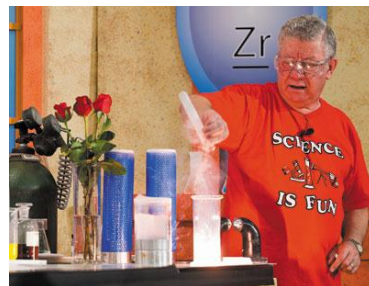

Followed by a Gala Reception Featuring the Undergraduate
& High School Research Poster Session & Graduate Recruiting Fair

6 PM to 9 PM, Sunday, November 4

Downtown Hilton Hotel Ballroom

Program:

4:30 PM Video by ACS President Bassam Shakhshiri on Chemistry & Chemical Demonstrations (LASM lecture hall)

4:40 PM Presentation by Prof. George Stanley, LSU Chemistry, on the ChemDemo program and importance of “real” chemistry in high school chemistry education. (LASM lecture hall)

5 PM Hands-on chemistry experiments & demonstrations in the LASM Atrium by undergraduate chemistry students from regional universities and ExxonMobil chemists.

There is a registration fee to attend the Southwest Regional Meeting: \$25 for high school teachers and \$10 for students (although this LASM event is free).

Contact Prof. Stanley for more information (gstanley@lsu.edu)
